		Committee Sign	natures			
Committee Member			Signature		Date	

This form should be completed in full by the end of your second semester and submitted to the History department to be put in your file. Once signed this becomes a formal agreement between the student and program faculty as to the conditions which must be met for completion of the degree requirements. Minor changes can only be made through mutual agreement and in the form of a letter from the student and committee. Major changes require a revised plan of study be submitted.
